

# COMMUNITY APPATHON

LET'S MAKE APPS!

To coincide with the National Day of Civic Hacking, we're hosting an all-day appathon. If you're an aspiring designer, developer, or just someone with really good ideas, you'll get a chance to plan and prototype a Web app to meet a community need. We'll meet, brainstorm projects, join teams, and start prototyping apps. There will be awesome prizes for the teams with the best apps. For grades 9–12. This event is cosponsored by Skokie Public Library and TheMakerMom.
